NEW TALMUD TORAH, GYMNASIUM, CENTER FACILITIES UNDER CONSTRUCTION

SIGNING THE CONTRACT FOR THE NEW CONSTRUCTION

Some of the officers of the Jewish Community Center are shown gathered for the signing of the contract for the new building with James More and Sons, Ltd. earlier this month. Seated from left to right: Martin K. Levinson, honorary secretary; Bernard M. Alexandor, Q.C., president; J. Harold Shenkman, chairman, Building Committee. Standing left to right: Hy Hochberg, executive director; Sidney Lithwick of the architectural firm of Hozelgrove, Lithwick and Lombert; William G. More of James More and Sons, Ltd. and Morris Cohen, chairman, Youth Committee. The low tender submitted by the More Company was for \$662,000. It is the third contract awarded by the institution since its inception.

Fete Lawrence and Audrey Freiman This Sunday Night

Mr. and Mrs. Lawrence Freiman will be honoured by the Jewish community on Sunday evening, April 5 on the occasion of their 25th Wedding Anniversary.

The reception which has been arranged by the Jewish Community Council and a group of friends will be held at the Jewish Community Center beginning at 8:30 p.m. Invitations have been extended to all members of the community.

The evening will also provide an opportunity to express felicitations to Mr. Freiman on his fiftieth birthday. In addition, it will be the first official gathering at which good wishes can be extended on his election as president of the Zionist Organization of Canada.

To commemorate the occasion, a forest of trees to be known as "The Lawrence and Audrey Freiman Forest" is to be planted in Israel by the Jewish National Fund at a site to be designated.

Presentations will be made by Bertram Loeb, president of the Jewish Community Council and Rabbi Charles Bender of Montreal, national chairman of the Jewish National Fund.

To Head 1959 United Appeal

Bertram Loeb, president of the Jewish Community Council has announced that Alex Betcherman, a guiding spirit in almost every phase of communal endeavour in Ottawa, has accepted the chairmanship of the 1959 United Jewish Appeal. He succeeds Lawrence Freiman, now president of the Zionist Organization of Canada.

"Mr. Betcherman's willingness to assume this major responsibility will be warmly welcomed by the entire community," said Mr. Loeb. Citing Mr. Betcherman's dedicated efforts on behalf of Israel for many years, Mr. Loeb stated that "we particularly need the kind of dynamic leadership with which he is endowed in this year of rising needs and the Roumanian exodus".

A former chairman of the United Palestine Appeal, Mr. Betcherman was one of the founders of the United Jewish Appeal in Ottawa and has occupied top positions in the organization from its inception.

A successful business executive and keen sportsman, Mr. Betcherman finds time to serve as a vice-president of the Jewish Community Center, vice-president of Congregation Beth Shalom, a vice-chairman of the Ottawa Israel Bond Committee, a vice-president of the Ot-

tawa Hebrew Free Loan Association, a director of the Rideau View Golf and Country Club, a member of the national executive of the Zionist Organization of Canada and a director of many other Jewish and non-Jewish groups in the community.

Announcement of the award of a \$662,000 contract to James More and Sons, Ltd. climaxes a sixteen-year period of planning and fund-raising which began in November of 1943.

The decision to award the contract was greatly influenced by a new contribution of \$150,000 to the building fund made by the Beth Shalom Congregation.

Occupancy Within Twelve Months

Two units have been built since the project began. The first, completed in June of 1951 contained the auditorium, social hall and games room, kitchen facilities and several meeting rooms for youth and adult groups.

The second wing, opened in September, 1956 brought the Synagogue facilities and the shell of the gymnasium into being.

The new three-storey building fronting on Chapel Street will contain eight classrooms and a double nursery-kindergarten for the Tal-

mud Torah, greatly expanded facilities for youth activities of all kinds, a lunchroom-cafeteria and administration space.

The contract also provides for the completion of the gymnasium, showers and locker rooms for men and women, a health club with steam rooms, two handball courts and a special exercise room.

Occupancy is scheduled for within ten to twelve months. Thus, together with the work already in progress on the West End Talmud Torah, the whole building program is being realized.

Draws Attention To Financial Position

In a letter addressed to the entire community on March 17, Bernard M. Alexandor, Q.C., president of the Center drew attention to the financial aspects of the construction program when he stated:

"The Board of Directors is fully aware of the serious responsibility of making the decision to proceed at this time in view of the fact that construction costs and carrying charges will far exceed the \$400,000 pledged to the Community Center Completion Campaign in 1957.

"We have been able to arrange interim financing with the Canadian Bank of Commerce, but will still be faced with the necessity of devising means of amortizing the substantial debt which will remain at the end of the life of the present five-year campaign.

"The Board felt justified in taking these steps in the confidence that you will continue to give the loyalty and effort which has made this achievement possible. I know that we can count on you for continued support in the future."

According to the architects, good progress is being made on both the excavation phase and the installation of plumbing on the lower levels of the existing building. Specifications called for work to be done simultaneously on the Talmud Torah and gymnasium.

Within the next few days, contributors will receive statements asking for payment of the second instalment of pledges made to the Completion Campaign. Funds are urgently required to make progress payments to the contractor and to keep bank borrowing as low as possible.

Alex Betcherman

He is one of the recipients of the Ottawa B'nai B'rith "Citizen of the Year Award" and the Jewish National Fund Council of Ottawa recently planted a grove of 1,000 trees in his honour in the Canada Forest in Israel. Mr. Betcherman visited the State of Israel several years ago and keeps in close touch with developments there.

The campaign to be launched this month will seek to raise maximum funds for Israel, Overseas Relief and Rehabilitation, Local Community Services, and the Special Rescue Fund for East-European Jewry. Plans are being developed now and further details will be announced shortly.

A Wonderful 25th Anniversary

(The Bulletin is pleased to reprint this special editorial written by Marsh Yarrow, editor of the Ottawa Citizen, for a Souvenir Edition of the Citizen honouring Mr. and Mrs. Lawrence Freiman)

The 25th anniversary of any wedding is a happy event, joyfully celebrated not only by the principals themselves but by their friends. When the couple have as many friends as Mr. and Mrs. Lawrence Freiman, the celebrations and happiness tend to become community-wide in scope.

And this is a friendship that is well and truly deserved, for if any city ever owed a debt of love and gratitude to a husband and wife, Ottawa owes one to Mr. Lawrence Freiman and the lovely lady, the former Miss Audrey Eleanor Steinkopf of Winnipeg, he made his bride a quarter of a century ago.

It would be difficult to imagine what community life in Ottawa would have lost had this city lacked Lawrence and Audrey Freiman. A businessman with heavy responsibilities on his shoulders, Mr. Freiman has nonetheless given unsparingly of his time and energies to local and national organizations.

Among these, to name just a few, are the Canadian Welfare Council, the Victorian Order of Nurses, the Zionist Organization of Canada, the Ottawa Jewish Community Council, the Canada Foundation, the Ottawa Boys Club, the Canadian Boy Scouts Association, the Federal District Commission and the Ottawa Philharmonic.

Mrs. Freiman has not lagged behind her husband in service for the public good. There are few enterprises for the civic good that have not the active support of Mrs. Lawrence Freiman. All this in addition to being the understanding helpmeet of a dynamic business executive and the mother of two fine children.

Since there are few in Ottawa who have not a special place in their hearts for Lawrence and Audrey Freiman, this happy occasion is, in a sense, a community event. So we, at the Citizen, join the rest of the people of Ottawa in saying:

"Congratulations... and bless you both!"

Canadian Jewry Unites To Cope With Exodus

More than 100 leaders of national Jewish organizations have pledged Canadian Jewry to increased financial support of the United Jewish Appeal in view of the gigantic East European exodus to Israel.

The historic meeting held on March 8 in Toronto was called into session by Samuel Bronfman and Lawrence Freiman, co-chairmen of the National Fund Raising Council for Israel and Overseas. The diversified groups were assembled to take common action on the migration which was described as "of deepest concern" to the Jews of the world.

Leaders of the conference called upon members of the participating organizations to give "maximum support" to a special nation-wide fund-raising campaign for \$1,600,000 as Canada's share in financing the transport and resettlement of unprecedented numbers of immigrants from Roumania this year. This amount is in addition to the regular national quota of \$6,000,000 in support of Israel and overseas needs.

The emigration and its impact on Israel's people was described by Israel Ambassador to Canada Arthur Lourie, Mr. Freiman and Mr. Bronfman.

Ambassador Lourie termed the sudden emigration from Roumania and Eastern Europe "one of an utmost urgency". He called attention to the determination of Israel

to "do its share and more than its share" and added "but without the unstinted participation of our fellow Jews in the free world we shall not succeed".

Mr. Freiman said that the vast human need resulting from the pressure of immigration "was a matter of honour, a responsibility to be accepted by the Canadian Jewish community and Jews throughout the world rather than shouldered by hard-pressed Israel alone."

Mr. Bronfman called attention to the multitude of problems created for Israel by the sudden influx of tens of thousands of immigrants and asked the delegates to take back to their organizations and communities "a deep personal understanding of this massive emergency facing our people". He urged "top priority giving" to help meet the needs of the newcomers.

To this end, the Toronto meeting approved plans for immediate and unified action to deal with the crisis by adopting a resolution calling for the creation of increased goals in campaigns throughout Canada. Complete text of the resolution is reprinted elsewhere in this issue of the Bulletin.

In addition to Mr. Freiman, the Ottawa delegation included Bertram Loeb, president of the Jewish Community Council and national chairman of the United Israel Appeal and Hy Hochberg, executive director of the Ottawa campaign.

Although still in his early forties, he has been extremely active in the Jewish community having served as president of the Jewish Community Council, Congregation Agudath Achim and the B'nai B'rith Lodge.

Text of the Resolution Adopted by Leaders of National Jewish Organizations

1. After years of despair at the blockage of Jewish emigration from Eastern Europe, the recent release of thousands of families from Roumania, Poland and elsewhere has electrified the State of Israel and Jews throughout the world with the hope of reuniting this lost segment of Jewry with its people.
2. Israel alone awaits them with open gates and open arms and their migration and settlement there represents the primary pre-occupation of world Jewry today.
3. Realistically, the joy of this reunion has to be measured against the hard fact of paying for its costs, which cannot be met out of ordinary campaigns. Funds will have to be provided above and beyond those of previous appeals. Yet we are assured that these greater efforts will be more than justified not only through the fact of their having assisted in the redemption of people but also because these people will give new strength to the redemption of the land.
4. The Jewish Community of Canada therefore proudly proclaims that it will exert a supreme effort to ensure its maximum part in the crucial task of permanently settling Roumanian Jewry in Israel.
5. To this end it will create additional goals in special campaigns in the Jewish communities of Canada commensurate with the weight of the financial task which Israel must face. The officers and representatives of the organizations and fund-raising groups here assembled pledge their support to the national fund-raising programme stated here and their undivided efforts for the practical realization of these objectives, and they undertake to enroll the active participation of the organizations which they represent.
6. The conference also endorses the action of the National Fund Raising Council in bringing before Canadian Jewry the story of this migration. The conference further goes on record to request that the present resolution be widely distributed among the Jewish public, to individuals, community leadership and organizations.

NATIONAL COUNCIL OF JEWISH WOMEN OF CANADA

10TH BIENNIAL CONVENTION

MAY 3 TO 7, 1959

CHATEAU LAURIER HOTEL

NAME GRATTON O'LEARY CITIZEN OF THE YEAR

M. Gratton O'Leary, president of the Ottawa Journal is shown receiving the 1958 Citizen of the Year Award presented annually by B'nai B'rith Ottawa Lodge No. 885. Pictured with Mr. O'Leary at the Citation Dinner held at the Jewish Community Center on February 9 are left to right: Nap Kapinsky, chairman of the evening; Bertram Loeb, president, Jewish Community Council; Jac C. Horwitz, Q.C., who made the presentation and His Worship, Mayor George H. Nelms.

Concrete Steps Taken To Raise Standards of Giving

Bertram Loeb, president of the Jewish Community Council has announced that serious study has been given in recent weeks to ways and means of dealing with individuals who fail to meet their responsibilities to the community. Equally important has been the whole question of raising standards of giving generally.

Matters were brought to a head early in the year when it became apparent that the 1959 United Jewish Appeal would require an unprecedented effort on the part of every contributor.

Aside from the special fund which has been created to cope with the mass exodus of Jews from Roumania and other Eastern European countries, the 1959 campaign faces greatly increased demands for its regular budgetary needs.

While campaign revenues have remained more or less static in recent years, costs of operating the Talmud Torah, the B'nai Brith Camp, the Jewish Community Center and other beneficiaries in Ottawa have risen considerably. Local institutions have been forced to go into deficit financing, and if the situation does not improve, budgets will have to be pared and badly-needed services curtailed.

Faced with this situation, the Vaad Ha'Ir created a United Jew-

ish Appeal Study Commission composed of representatives of the Synagogues and U.J.A. beneficiaries under the chairmanship of Alex Betcherman.

This group met several times in an atmosphere of complete understanding and co-operation. There has been unanimous agreement that standards of giving must be raised and that those persons who fail to assume a fair share of the burden should be denied services which have hitherto been available to every resident regardless of contribution.

Approval in principle has been given to a number of specific proposals. These are now in the hands of a special committee which is considering measures to be submitted to every group concerned for approval.

In the meantime, the Review Committee appointed as the direct result of a Study Commission recommendation has already discussed every name on the community list and established a suggested amount for each individual which will be asked for in the forthcoming campaign.

According to those in charge, contributors will be given every opportunity to discuss their assessments with the committee privately, if they feel that the suggested figure should be revised.

The exhibition will remain open for two days after the opening, all day Wednesday from 10.00 a.m. to 9.00 p.m., and Thursday from 10.00 a.m. to 7.00 p.m. Those works not already sold will be on a straight sale basis to the community at large.

Home for the Aged Building Fund Grows

The enthusiasm for the construction of the Home for the Aged on property just west of city limits continues to increase week by week.

Since the land is now completely paid for, all money being collected is being earmarked for the Building Fund and it is hoped that a campaign will be held in the not too distant future in an effort to raise sufficient money to proceed with the construction.

The president announces that a contribution of \$1,000, has been received from a donor who wishes to remain anonymous. Also a bequest of \$300.00 in the will of the late Mrs. J. Rachlin is graciously acknowledged.

In addition, \$638. was recently raised by the Shinder Family at a tea held at the home of Mr. and Mrs. Harry Shinder. Another \$700. was raised in January at a tea held at the Jewish Community Center.

Mrs. Samuel Lepofsky advises that the sale of bricks is also bringing in substantial receipts. She wishes to inform all those interested that Books of Bricks may be obtained from Mrs. Abraham Litwick, Mrs. Abraham Shaffer, Mrs. Henry Pass and herself.

Membership fees for 1959 for the Ottawa Jewish Home for the Aged are now due. Early payment of fees will help swell the Building Fund.

The Board of Directors of the Home for the Aged point out that since the provincial government will pay 50% towards the cost of the construction of a home, the above total actually represents one half of the amount available for construction purposes.

Agudath Israel Men's Club Enjoys Varied Program

An enjoyable Oneg Shabbat was held recently by the Agudath Israel Men's Club in honour of the 51st Club and Scout Groups. One of the highlights of the evening was the singing of the children's choir under the direction of Cantor David Aptowitz.

ADULT SERIES AT CENTER PROVES HIGHLY SUCCESSFUL

Art . . . music . . . science . . . Jewish literature and world affairs . . . something for every taste has been the underlying motif in the new series of Sunday evening programs initiated this season by the Adult Program Committee of the Jewish Community Center.

Sparked by an enthusiastic arrangements committee composed of Mrs. Irving Betcherman, chairman, Mrs. Joel Barrett, Mrs. Bert Migicovsky, Hy Hochberg, Center director and Elias Z. Aronstam, program director, the series has consistently drawn audiences ranging anywhere from 150 to a high of 560 people. The response has been so gratifying that plans are already afoot for an expanded series next fall.

Alan Jarvis, director of the National Gallery of Canada opened the series on January 11 with a talk on "Modern Art in Canada". A display of representative works by some of Canada's leading Jewish artists was an added attraction. Mrs. Irving Betcherman chaired the evening.

Warm and Congenial Mood

A warm and congenial mood prevailed at the "Evening of Fireside Music" on January 18 when a delightful program of light classical music was presented by a group of outstanding Ottawa instrumentalists from the Philharmonic Orchestra under the direction of Dirk Koelhaas. The audience was also treated to a number of selections by Thomas Kines, well-known Ottawa folk-singer. Chairman Sol Max was at his humorous best.

His Excellency, Arthur Lourie, Ambassador of Israel to Canada graced the February 15 evening with an intimate portrayal of some of the great personalities of yesterday and today who shaped the destinies of the State of Israel. The exhibit of modern Israeli art drew many admiring comments. Lawrence Freiman, president of the Zionist Organization of Canada was the chairman.

On February 22, the Center observed the 100th Anniversary of the birth of Sholom Aleichem with selected readings by Paul Kligman, celebrated Canadian star of stage, screen and radio. Our own Sally Weltman set the tone of the evening with her touching rendition of several time-honored Yiddish melodies. A backdrop prepared by Miss Debra Mirsky brought the world of Sholom Aleichem to life on the stage. The chairman of the evening was David Wolochow.

"Rockets and the New World Above Us" was discussed by Dr. John S. Meek, deputy-director of the Directorate of Physical Research, Defence Research Board of Canada on March 8. Mr. Meek illustrated his lecture with movies, slides, charts and photographs. The eminent scientist, Dr. Wilfred Galloway was chairman.

Series Concludes April 12

The series concludes on Sunday evening, April 12 with a unique venture into the field of modern progressive jazz. Devotees of all ages will find details of the concert printed elsewhere in this issue.

Motivation for these programs came from the new and enlarged Adult Program Committee composed of:

Hyman Gould, chairman, Mrs. Joel Barrett, Mrs. Irving Betcherman, Rabbi Samuel M. Burstein, Morris Cohen, Rabbi Simon L. Eckstein, Dr. Wilfred Galloway, Harry Greenblatt, Mrs. Phillip Hollander, Harry Kotlarsky, Bertram Loeb, Sol Max, Mrs. Bert Migicovsky, Mervin Mirsky, Dr. Nathan Schacter, David Slover, Louis Weiner, David Wolochow.

Book Lover's Club To Be Formed

During the next few weeks, an attempt will be made to form a Book Lover's Club which will function under the auspices of the Library Committee of the Jewish Community Center.

While details are still to be worked out, the Library Committee believes that there are people in the community who would welcome the opportunity of getting together once a month to discuss best sellers and other good books which are published from time to time.

Many fine books have been added to the library shelves in recent weeks and others are being purchased as they appear. It is planned to keep the Book Lover's Club small to enable maximum participation of the part of members.

Harry Kotlarsky has assumed the acting chairmanship of the project. Anyone who is interested is asked to contact Mr. Kotlarsky or the Jewish Community Center at CE 5-7258.
